DECISION NO. 74990ORDER

Open Meeting
March 2 and 3, 2015
Phoenix, Arizona

BY THE COMMISSION:

* * * * *

Having considered the entire record herein and being fully advised in the premises, the
Arizona Corporation Commission ("Commission") finds, concludes, and orders that:

FINDINGS OF FACT

1. On June 5, 2002, the Commission issued Decision No. 64883 granting dPi Teleconnect, LLC ("dPi") a Certificate of Convenience and Necessity ("CC&N") to provide resold interexchange telecommunications services within the State of Arizona and requiring a performance bond in the amount of \$25,000.

2. According to a filing with the Federal Communications Commission ("FCC"), dPi changed its name from dPi Teleconnect, LLC to Utility Telecom, LLC ("Unity" or "Company") on May 18, 2012. The Company failed to notify the Commission of its name change and, therefore, all internal Commission references to the Company refer to dPi.

3. On September 22, 2014, Unity filed with the Commission a letter stating Unity does not currently offer interexchange telecommunications services within the State of Arizona and requesting that the Commission cancel its CC&N, as well as its tariff.

4. On January 22, 2015 the Commission's Utilities Division ("Staff") filed a Staff Report

1 in this matter recommending approval of DPI's application to cancel its CC&N.

2 5. The Staff Report indicates that Staff confirmed Unity had stopped providing
3 telecommunications services in Arizona in March 2013. Unity also submitted an affidavit in which it
4 attested it had no customers in Arizona to which it provides intrastate telecommunications services.
5 As such, Unity requested a waiver of the notice requirements in Arizona Administrative Code
6 ("A.A.C.") R14-2-1107.

7 6. According to Staff, Unity asserted it did not collect advances, deposits, and/or
8 prepayments from Arizona customers.

9 7. In response to Staff's Data Requests, Unity stated it had a \$75,000 performance bond
10 on file with the Commission that was cancelled on December 10, 2006. The Staff Report states a
11 copy of the performance bond is on file with the Commission, whereas a copy of the cancellation of
12 the bond is not.

13 8. According to the Commission's Consumer Services Section, zero complaints,
14 inquiries, or opinions were filed against dPi but no records exist for Unity.

15 9. The Commission's Compliance Section reports there are no current compliance
16 delinquencies for dPi, and the Corporations Division states dPi is in good standing. Neither the
17 Compliance Section nor the Corporations Division has records for Unity.

18 10. Staff recommends approval of Unity's request to cancel its CC&N to provide resold
19 interexchange telecommunications services and to withdraw its Arizona tariff. Staff also
20 recommends granting Unity's request to waive the published notice requirements of A.A.C. R14-2-
21 1107, because the Company is not providing resold interexchange telecommunications services to
22 any customers in Arizona and the Company never collected any advances, deposits, and/or
23 prepayments from Arizona customers. Further, Staff recommends any documents related to the
24 performance bond be released and returned to the following name and address:

25 Mary Calderon
26 Unity Telecom, LLC
27 Manager, Compliance & Regulatory Affairs
28 1330 Capital Pkwy.
 Carrollton, Texas 75006

11. Staff's recommendations are reasonable.

CONCLUSIONS OF LAW

1. dPi Teleconnect, LLC is a public service corporation within the meaning of Article XV of the Arizona Constitution and A.R.S. §§ 40-281 and 40-282.

2. The Commission has jurisdiction over dPi Teleconnect, LLC and the subject matter of the application.

3. The cancellation of dPi Teleconnect, LLC's CC&N is in the public interest.

4. Staff's recommendations are reasonable and should be adopted.

ORDER

IT IS THEREFORE ORDERED that the application of dPi Teleconnect, LLC for the cancellation of its Certificate of Convenience and Necessity to provide resold interexchange telecommunications services in Arizona shall be, and is hereby, approved, and the Certificate of Convenience and Necessity is cancelled.

IT IS FURTHER ORDERED that dPi Teleconnect, LLC's telecommunications services tariff on file with the Commission is hereby cancelled.
